ON THE POSTPONEMENT OF THE BANGSAMORO ASSEMBLY

As announced earlier, the Bangsamoro Assembly was originally scheduled on November 3 and 4, 2017.

We regret to inform though that due to reasons beyond our control, the said Bangsamoro Assembly has to be postponed.

New dates are still being determined by concerned authorities, but at this point we are already looking at the third week of November 2017. Rest assured that once the new dates are confirmed, we shall immediately disseminate the necessary information.

In the meantime, all the preparatory works of the Standing Committees will continue.

We are already grateful for the good intentions of a countless number of our people to participate and we truly appreciate the concrete support and assistance in various forms already extended by stakeholders for the successful conduct of the Bangsamoro Assembly. We urge you to remain supportive up until the Bangsamoro Assembly is convened *Insha Allah*.

We ask everyone to help in circulating this announcement.

Thank you for your patience and genuine understanding.

Issued this 29th day of October 2017 at Cotabato City.
