

**STATEMENT OF SUPPORT
"YES TO BANGSAMORO ORGANIC LAW"**

In my capacity as the Municipal Mayor of Carmen, let me announce to my fellow Cotabateños most particularly the 6 municipalities which are included in the coming plebiscite that my stand is final- YES TO BOL believing that by supporting BOL will ultimately give peace and harmony among our Tri-people as a whole in this province of Cotabato.

Here are the main reasons why I am fully supporting the BOL.

Firstly, we want to achieve a sustainable peace in fulfilling a more progressive community.

Secondly, we want to give our Muslim brothers and sisters a chance for the full implementation of BARMM.

And lastly, to those barangays in Carmen who opted for inclusion in the BOL, I had told them during our recent convocation program that there is no reason for me to hold them. As the father of Carmen, they have my support as much as they wanted to follow their desire to be included in the BARMM.

Finally, I would like to acknowledge all those involved in the preparation of the Bangsamoro Organic Law.

Mabuhay tayong lahat! SUKRAN.
